Commissioner for Patents

The amendment filed 4-12-2004 is considered non-compliant due to the following:

Amendments on Reissue applications, as Applicant is likely aware, are to be in accordance with 37 CFR 1.173. In the amendment to the claims, the Applicant has provided a complete listing of all claims. A careful reading of 37 CFR 1.173 does not require a complete listing of all claims, while 37 CFR 1.121 does. Therefore, the comprehensive listing of claims by Applicant may be interpreted as being in accordance with 37 CFR 1.121, as opposed to 37 CFR 1.173.

Accordingly Applicant is requested to provide a copy of the claims in accordance with 1.173 listing only those claims changed by this amendment.

Note that this Notice of Noncompliance has been discussed with SPRE Steven Meyers, who is a Tech Center 3600 "reissue specialist".

Applicant is given a 1-month time period for response.
